Point in Time Count Reminder

- Sign up to volunteer

Gellis Community Fridge

- Lisa Ridenour Present
- Group Q and A

Case Conferencing Update

- Jen Engquist and Case Conferencing Team present
- Group Q and A

Julie Hall - how can we manage apprehension about having name in a system, with regards to HMIS/BFZ?

- Can create generic account; build trust over time

Tami Slipher - re/ recidivism, what is the plan around once someone does get housing, how to reduce recidivism and provide support once someone is housed?

- There is not currently formal capacity within Case Conferencing team to provide that type of post-housing support; need to build it in over time; pilot could be recovery coach model; SAFER is also “on an adventure” about how best to support post housing placement
- PATH Team stays with clients for 3-5 months

Long for the capacity of Tri-Cities to provide shelter for single adults more consistently
